

HOLY TRINITY CHURCH BOSHAM

Agreement for use with outside groups
For organisations with their own child protection policy

We, Holy Trinity Church Bosham, follow our own child protection procedures based on the government guidance "Working Together to Safeguard Children 2006".

We understand that this booking agreement is conditional on us keeping to these procedures and that the agreement can be terminated if we fail to comply with them.

We will show evidence of our compliance to the Parish Child Protection Co-ordinator, Mrs Dorothy Armstrong, if requested.

We will inform the Child Protection Co-ordinator if there are any concerns or allegations arising about children in the course of our activities.
